**Visitors –**

**Invocation –** Shawn Turner

**Review of Minutes from December 14, 2016 –  
Unable to vote of minutes, no quorum**

**Sunrise Engineering – Clyde Rainey** – Updating us on what is going on. The Federal Funding that was in question is now going forward and monies will be available. Approval could come as early as early March. Clyde was able to complete his registration for the USDA website.

**Follow Up Items –** none

**Mayoral Business –** none

**Water –** none

**Sewer –** none

**City Hall/Offices –** none

**Roads –** The fire hydrants have been plowed out for the most part. They may need to have a little hand work done to finish completely uncovering them. There are some streetlights that are having problems. Ted will call the power company and inform them. Shawn suggested that we have the road to the water tank added to the City plow route. He has a hard time getting into the water tank this time of year.

**Delinquent Accounts –**  
Debbie will contact delinquent accounts.

**Payment of Expenses –**  
**Motion to accept and pay the expenses as presented.**  
**Unable to vote on expenses, no quorum**

**Motion to Dismiss:**  
**Unable to vote to dismiss, no quorum**

**Dismissed at 8:45 p.m.**

**Next Board Meeting** – February 15, 2017, 7:00 pm

Changed from the regular 2<sup>nd</sup> Wednesday this month to the 3<sup>rd</sup> Wednesday because of board member conflict.
