

FIRST (1891) CEMETERY COMMITTEE

On December 12, 1891 at Bloomington, Idaho, a meeting was called at the house of Peter Greenhalgh to consider the importance of a graveyard committee. Present at the meeting:

James H. Hart	E.M. Patterson	Andrew Jacobsen
Wm. Hulme	Nels Peterson	Thomas Ward
Peter Greenhalgh	George Bateman	

Bishop Wm. Hulme said that the brethren had been called together to consider matters appertaining to the graveyard. It was reported that 12 acres had been laid off as a graveyard by A.B. Strickland, the said land being in his entry.

The price to be paid for said land was next considered. It was thought that fifty dollars - \$50.00 – would be proper. It was motioned & seconded that the deed be made out in the name of Bishop Wm. Hulme & his successor in office – carried.

It was motioned & seconded that the lots of one rod (16 ½ feet) square be sold for \$1.25 each. Carried.

It was motioned & seconded that E.M. Patterson be the sexton; take charge of the graveyard; draw off the plat numbers & lots; & do all other business appertaining to that office – carried.

It was motioned & seconded that Peter Greenhalgh act as secretary & treasurer – carried.

Signed,

Peter Greenhalgh, Secretary
